## **DETAILED ACTION**

### ***Claim Rejections - 35 USC § 112***

Claims 1 and 8-14 are rejected under 35 U.S.C. 112, first paragraph, as failing to comply with the written description requirement. The claim(s) contains subject matter which was not described in the specification in such a way as to reasonably convey to one skilled in the relevant art that the inventor(s), at the time the application was filed, had possession of the claimed invention. Claim 1 sets forth a chair for children "having a single stem". Such is not supported by the originally filed disclosure, and represents new matter. Claims 8-14 are rejected since each depends from rejected claim 1.

### ***Drawings***

The originally filed drawings are objected to under 37 CFR 1.83(a). The drawings must show every feature of the invention specified in the claims. The children's chair having a single stem has not been shown.

### ***Response to Amendment/Arguments***

Applicant's response has been fully considered. Remaining issues are described in the above sections. Applicant is advised that removal of the phrases "or chair for children" and "or chair" from line 2 of claim 1 would place the claims into condition for

allowance. The originally filed disclosure supports the wheeled trolley having a single stem, but does not support the children's chair having a single stem.

### ***Conclusion***

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
